About Me

As a native Georgian who has lived in district 121 for the last 21 years, I believe that the GOP has ignored the wishes of Georgia citizens, and MAGA policies are making it worse

It is time to make this government of the people work for the people

As Your Representative, I Will Fight To

Expand Medicaid

Repeal the Abortion Ban

Fully Fund Public Education

Pass Common Sense Gun Laws

End Gerrymandering

I'm posting videos to social media every day until the election so you can learn more about me and my platform, contact me with questions, and find out how you can help me fight for you!
